"Magical and utterly compelling."

Rachel Elnaugh - Entrepreneur

"Power is the ability to create change. When you pull back your power, it feels SAFE to SHINE."

Dr Anne Whitehouse is the #1 bestselling author of 'Pull Back Your Power', a PhD scientist turned Female Power Alchemist, and a subconscious transformation expert. After her own spectacular burnout in the boys' club world of university engineering, she uncovered the hidden roots that sabotage high-achieving women, and devised a game-changing solution. Her mission now is to show visionary women how to level the energetic playing field, break through success limits, income ceilings, visibility blocks, and fulfil their dreams in the world - all without changing their character, or having to sacrifice their feminine energy.
